## What is Try Out Your Neighbourhood?

There are many internationals here in Østerbro and Nordhavn. But it's not always easy to find your place, when you move somewhere new.

This initiative seeks to better introduce to and involve international citizens in cultural activities in our neighbourhood.

It is an attempt to break down barriers of communication, language and culture, and bridge the gap between internationals and Danish.

Activities take place in Østerbro but anyone is welcome to join, regardless of where you live.

**Interreg**

Co-funded by the European Union

**Öresund-Kattegat-Skagerrak**

The event is co-funded by the European Union through the Interreg ØKS program and is part of the Cross-border Talent Bridge project.

# Try Out Your Neighbourhood

*Creating meaningful connections for internationals in Østerbro and Nordhavn*

**Kultur og Fritid Østerbro  
Københavns Kommune**

Are you an international looking to find your place in Copenhagen?

Do you want to explore different cultural events and meet new people?

### The purpose of the project is

- to improve knowledge about our activities and make sure internationals feel included
- to establish a community which will be driven partly by a network of volunteer internationals and partly by a cultural guide
- to facilitate events which integrate internationals and Danish and to see new relations formed between them

## How it works

- We meet up once a week, four weeks in a row
- Through a series of four curated events, participants will get a taste of the possibilities to connect with each other over cultural activities
- You sign up to become part of the group for the series. Then you participate in the events. In this way, we try to establish a community where you can build relations to each other
- Throughout the series, there will be a cultural guide present
- We have tried to create an awesome series, and we would love for you to join all four events, but it is not mandatory
- We also need volunteers to help run the community. If you're interested, reach out to us!

## Examples of Activities

- City Walk or Guided Bike Tour through Østerbro.
- Visit to the library to hear a talk or debate about a topic or an author
- Communal dining with social flavour
- Cinema club, with a quiz before and a discussion after the movie
